

NAS Exam Application User Manual

Step 1: Login

In this login screen you need to enter UDISE code of the school and class for which the NAS exam is being conducted.

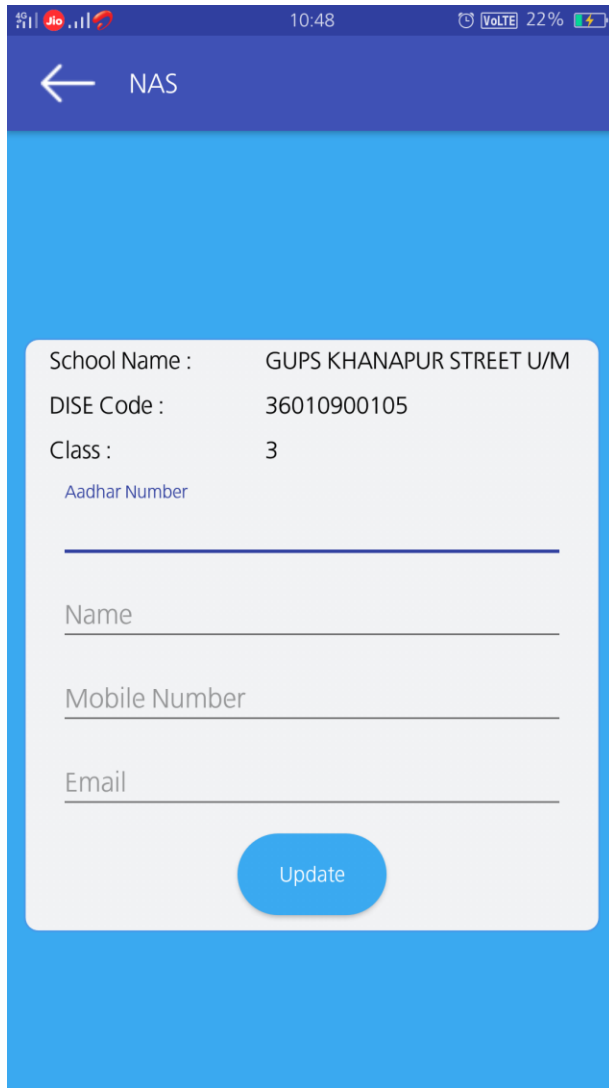

The screenshot shows a mobile application interface for the NAS Exam. The top status bar displays network signal, Jio, time 10:47, VoLTE, and 21% battery. The main screen has a blue background. At the top center is the logo of the State Council of Educational Research & Training, Hyderabad. Below the logo, the text "NAS Exam" is displayed. In the center, there is a white rounded rectangle containing the word "Login". Below "Login", there are two input fields: "UDISE Code" and "Class". A blue "Check" button is positioned below the "Class" field. At the bottom of the screen, it says "Designed and Developed By" followed by the NIC (National Informatics Centre) logo.

After enter the UDISE code and class, Click on **“Check”** button, then server will validate your login, if it is successful login, it will move to the next Activity (**User Details Screen**) otherwise it will give error message.

Step 2: Enter User Details

After successful login, user has to submit the basic details (One time job). Check the School Code, School Name and Class, before submitting the basic details.

Here user needs to enter his details like Name, Mobile number, Email id and Aadhaar number.

The screenshot shows a mobile application interface with a blue header bar containing a back arrow and the text "NAS". The main content area is white and contains a form with the following fields and values:

School Name :	GUPS KHANAPUR STREET U/M
DISE Code :	36010900105
Class :	3
Aadhar Number	<input type="text"/>
Name	<input type="text"/>
Mobile Number	<input type="text"/>
Email	<input type="text"/>

At the bottom of the form is a blue rounded button labeled "Update".

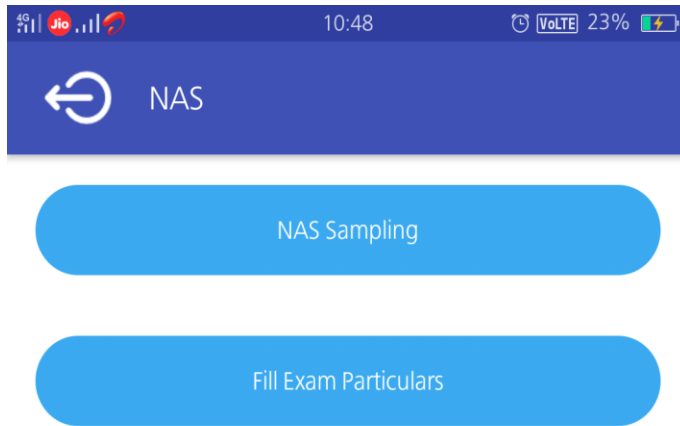

In this screen enter all the fields and click on update.

Step 3: Home Screen

In this screen you will find the two buttons

1. NAS Sampling.

2. Fill Exam particulars.

Nas Sampling: If you click on this button sampling screen will open. User can do Section sampling, and Exam sampling.

Step 4: Sampling Screen

In this screen you have to do the 2 samplings

1. Section sampling: Enter the number of sections and click on the "Do Section Sampling" button.

Note: if there are no sections in the school enter 1.

The image shows two screenshots of a mobile application interface. Both screenshots have a dark blue header with a back arrow and the text 'NAS'. The status bar at the top shows the time as 10:49, 23% battery, and VoLTE service.

Left Screenshot: The main content area is blue. At the top right, it says 'Hi sairam'. Below this is a white rounded rectangle containing the following text: 'School Name : GUPS KHANAPUR STREET U/M', 'DISE Code : 36010900105', 'Class : 3', and 'Number of sections' followed by an empty input field. To the right of the input field is a blue button labeled 'Do Section Sampling'.

Right Screenshot: This screenshot shows the same white rounded rectangle as the left one, but with the 'Number of sections' input field containing the number '4'. Below this rectangle, the text 'Selected Section : 3' is displayed. Underneath that is another input field containing 'Enrollment/Attendance of 3'. At the bottom of this section is a blue button labeled 'Do Sampling'.

Note: Below the left screenshot, there is a red text note: 'Note : Please enter 1 if there are no sections in the school'.

2. Exam Sampling: After completing **Selection sampling**, enter the Enrollment/Attendance of the selected section and click on the “**Do Sampling**” button.

Result Screen:

← NAS

DISE Code : 36010900105

Class : 3

No of Sections : 4

Selected Section : 3

Enrollment/Attendance : 48

R.S = $0+1+0+5 = 6$

S.I = $1.6 = 2$

Serial Number	Roll Number	Set
1	6	31
2	8	32
3	10	31
4	12	32
5	14	31
6	16	32
7	18	31
8	20	32
9	22	31
10	24	32
11	26	31
12	28	32
13	30	31
14	32	32
15	34	31
16	36	32
17	38	31
18	40	32

In this result screen you can find the all the sampling details like RS, SI, Selected section etc. as show in the above picture.

Step 5: Fill the following screen

After completion of the exam, you need to enter details of the forms uploaded.

The screenshot shows a mobile application interface with a blue header bar containing a back arrow and the text 'NAS'. Below the header, there is a light blue box containing the following information:

School Name :	GUPS KHANAPUR STREET U/M
DISE Code :	36010900105
Class :	3

Below this box, there is a section titled 'Fill the below details:' containing four input fields:

- 31P.Q * (with a vertical cursor in the first position)
- 32P.Q *
- T.Q *
- S.Q *

At the bottom of the form, there is a blue rounded rectangular button labeled 'Submit'.

In this screen enter both class P.Qs, T.Q and S.Q details and click on **“submit”** button.
